THE FINTON YEAR TWO LIONS

The Year 2 A cricket team had their first cricket match for the term against Eaton House the Manor. A 20/20, but without the coloured clothing. Skipper **Tom** won the toss and decided to bowl. Things didn't start well for EHTM, as they failed to come to terms with the pace of our bowling attack. They were having serious difficulty hitting the ball off the pitch, even though the pitch was hard to find. In fact Eaton only hit one boundary in the whole innings. There was a team hat-trick as **Oliver** took 2 wickets after a run out. It was a fantastic display of fielding by the Finton Lions as **Fraser** pulled off an unbelievable caught and bowled. We managed to get the opposition out 7 times which means they have to deduct 35 runs from their score. Our inaccurate bowling at times helped Eaton to a score of 8 runs. We started our run chase well and dispatched the ball to all parts of the ground. Boundaries came thick and fast with some big hitting from **Oliver, Kit, Tom, Willem** and **Archie**. If it was not for some of our boys, who decided to give Eaton some catching practice, we would have scored a lot more than 32 runs. The Surrey 1st team skipper came to see if there was any future talent coming through, and it was on show in abundance. Well done to the Finton Lions in a crushing victory. The team **Ted, Tom, Tommy, Willem, Archie, Kit, Fraser** and **Oliver**.

Year 3 Rounders v Broomwood Hall

Year 3 A1 v Broomwood Hall Loss 5 - 6½

It was a very dramatic match against Broomwood Hall (Nightingale Lane) on Tuesday afternoon. Coming off a win from their first match, the girls were very excited and took to the field with much enthusiasm. However, the skills that have been previously demonstrated to a very high degree proved to be in hiding. Our fielding and decision-making allowed Broomwood to have the upper hand throughout the game. A special mention to **Ella** (H), who was consistent with her bowling and Anya, who again has been named player of the match for her dependable performance both with the bat and in the field. The girls learnt a lot from Tuesday's match and will be sure to carry this knowledge into next week's game and the upcoming House matches. Come on team – I know we can do this!

Miss Donna-Maree

Year 3 A2 v Broomwood Hall Win 5½ - 5

This was a very close match throughout, but Finton managed to score a rounder in the last few balls to give us the win. As the game progressed, the girls became more alive in the field; they passed the ball more accurately and started to look around the field more. When batting, the girls must try and look to score a half rounder if they have hit the ball, as a number of times throughout the game the girls took the safe option of waiting at first base. Congratulations to **Eloise, Josie** and **Sophie**, who all scored a rounder. Player of the match goes to **Iona** for her accurate bowling.

Miss Emma (H)

Year 3 B1 v Broomwood Hall Loss 2 - 6½

This match was not as successful as our first match this term. We started off in the field, with good bowling from **Ella** and **Alannah** playing well at backstop. Our fielding was rather erratic at times, when the girls panicked and forgot what we have been practising in lessons. Mis-fields and poor throwing allowed Broomwood to score a number of half rounders. The Broomwood fielding was very quick and didn't allow for many of our batters to score a half rounder. Well done **Ella**, who scored a rounder. I hope that in the next game our fielding improves and we pay more attention to where the ball is. Player of the match goes to **Alannah**.

Hornsby House Year 4 Rounders Tournament

There were 10 teams altogether in the Hornsby tournament and Finton had been drawn in the tougher of the two groups. Our first match, against Garden House, was close and tense but we came out winners by 7 rounders to 5 ½, thanks to plenty of big hits and full rounders and some tight fielding by the girls. Our second match, against The Hall, was somewhat easier and, thanks to good bowling from **Ella (R)** and some great running by all the girls, we won by 7 rounders to 3. Our next match was against Thomas', in which we not only struggled to score, with our only full rounder coming from **Anna**, but our fielding showed signs of nerves. Unfortunately we gave away lots of cheap rounders through sloppy throwing and catching and we lost by 10 rounders to 2. In our final group match against Newton Prep we improved dramatically. Fielding was much tighter and we managed to get 8 of their 9 players out. Sadly though, Finton could not quite beat Newton Prep's score during our batting innings. **Laura** and **Ella (L)** both scored full rounders but many of the girls hit straight to fielders instead of into space, and we lost a very exciting match 4 ½ rounders to 5. When the total rounders scored were counted up, we had come third in our group, which unfortunately meant that we were out of the competition. It was a great experience for all the girls in the team and they should feel very proud of their efforts.

Fathers' Football

Last Friday saw the testosterone levels rise at the games field as the annual Fathers' Football Tournament took place. The fathers fielded three strong teams to face the might of the staff team. Over the course of two hours and twelve games, the strength of the staff team (and their age) became evident and we proudly lifted the somewhat broken bits of trophy aloft for only the second time in many, many years! A BIG thank you to all of you who came and played, the usual suspects as well as a few new faces, it was a fantastic evening and one of the highlights of the year for me. I know there were a lot of 'gutted' and 'sick as a parrot' dads who couldn't make it, but don't worry, there is always next year!

Alleyn's Junior School U10 Rounders Tournament

Thursday 10th June 2010

Position: 2nd=

Finton v Blackheath	2.5-5 WIN
Finton v Alleyn's B	2-4 WIN
Finton v Farringtons	6-6.5 LOSS
Finton v JAPS	2-5 WIN
Finton v Alleyn's A	8-4.5 LOSS
Finton v St Dunstan's	7- 4.5 WIN

Finton House performed amazingly well at the Alleyn's Tournament last Thursday. They played exceptionally well as a team and showed their degree of versatility by playing in many positions throughout the afternoon. **Kate, Ellie** and **Isobel** consistently backed up players from the deep and threw some mighty throws. **Liberty** proved again to be a reliable second post player, never missing a catch! And wowed us with some super hits! **Olivia** and **Maddy** played well in backstop throwing accurate and tactical throws to post players. **Lily-Rose** and **Amber** shared the bowling and fielding positions throughout the day and played the important role of bowler very well. **Alice** and **Ella** worked very well together on 3rd and 4th posts constantly communicating and attempting catches.

This tournament has been an excellent finish for the Year 5 A1 team. We played some difficult sides with tough umpires and still came out second proving our strength and skills as a team! Throughout the term they have refined their basic skills and played tactically and skilfully. All girls should be extremely proud of their thriving success and effort this term! Well done!
