1. Policy Statement

Finton House prides itself on the quality of teaching and pastoral care provided to its pupils. If parents have a complaint, they can expect it to be treated by the school in accordance with this policy and procedure. This includes parents with children in the EYFS. Where the school's policies or their implementation of them, are open to criticism, parents must feel able to express criticism without fear or favour, provided that complaints are addressed in a constructive tone and spirit. This document in no way is intended to inhibit the free flow of information and comment between parties to ensure the safeguarding of all pupils.

2. Stage 1 – Informal Resolution

- It is hoped that most complaints and concerns will be resolved quickly and informally.
- If parents have a complaint, they should contact their son/daughter's Class Teacher, initially by email or phone via the office. In many cases, the matter will be resolved straightaway by this means to the parents' satisfaction. If the Class Teacher cannot resolve the matter alone, it may be necessary for him/her to consult the Head or a member of the Management Team.
- Complaints made directly to the Head or a member of the Senior Leadership Team will usually be referred to the relevant Class Teacher unless it is deemed appropriate to deal with the matter personally.
- The Class Teacher will make a written record on 'CPOMS' of all concerns and complaints and the date on which they were received. Should the matter not be resolved within one week or in the event that the Class Teacher and the parent fail to reach a satisfactory resolution then parents will be advised to proceed with their complaint in accordance with Stage 2 of this Procedure.
- If parents are not satisfied with the outcome of Stage 1, they should proceed to Stage 2 of this procedure.

3. Stage 2 – Formal Resolution by Head

- If the complaint cannot be resolved on an informal basis (Stage 1), then the parents should put their complaint in writing to the Head by email or using our complaint form available on Frog or hard copy from the office (see point 6). The Head will decide, after considering the complaint, the appropriate course of action to take.
- In most cases, the Head will meet or speak to the parents concerned, within two days of receiving the written complaint, to discuss the matter. If possible, a resolution will be reached at this stage.
- It may be necessary for the Head to carry out further investigations prior to meeting/speaking, in which case this will be communicated.
- Once the Head is satisfied that, so far as is practicable, all of the relevant facts have been established, a decision will be made and the parents informed within seven days of receiving the written complaint. The Head will also give reasons for the decision.
- The Head will keep written records of all meetings and interviews held in relation to the complaint. A record of formal complaints will be kept by the School, using the pro-forma (see point 7) showing what actions resulted, what we have learnt and whether or not they proceeded to Stage 3 (a panel hearing).
- If parents are still not satisfied with the decision, they should proceed to Stage 3 of this Procedure.

4. Stage 3 – A Panel Hearing

- If parents seek to invoke Stage 3 (following a failure to reach an earlier resolution with the Head), they should make this request within two weeks of the outcome of Stage 2 to the Director of Finance & Operations (DFO), who has been appointed by the Governors to call hearings of the Complaints Panel. This can be done by email or using the complaint form available on Frog or hard copy from the office (see point 6).
- The matter will then be referred to the Complaints Panel for consideration. The Chair of the Governors will appoint at least three persons who have no previous involvement with the matter, one of whom shall be independent of the management and running of the School. The DFO, on behalf of the Panel, will then acknowledge the complaint and schedule a hearing to take place as soon as possible and normally within two weeks.
- If the Panel deems it necessary, it may require that further particulars of the complaint or any related matter be supplied in advance of the hearing. Copies of such particulars shall be supplied to all parties not later than three days prior to the hearing.
- The parents may be accompanied to the hearing by one other person. This may be a relative, teacher or friend. A written record of the meeting will be taken by the DFO and this will form the minutes of the meeting which shall be shared with the parent(s).
- If possible, the Panel will resolve the parents' complaint immediately without the need for further investigation.
- Where further investigation is required, the Panel will decide how it should be carried out. After due consideration of all facts they consider relevant, the Panel will reach a decision and may make recommendations, which it shall complete within seven days of the Hearing. The decision of the Panel will be final.
- The Panel's findings and any recommendations will be sent in writing (and email if appropriate) within 7 days to the complainant and where relevant the person or persons involved or complained about. A record of the Panel's findings and any recommendations will be kept confidentially on the school premises. The Head and the Board of Governors will be sent a copy.

5. Record of Complaints

Written records of all complaints, including the action taken and regardless of whether the complaint was upheld, will be kept confidentially by the school, using the pro-forma below. An anonymized version of the form is presented to the Board of Governors at the next termly meeting, which will include any learning points or actions.

Any written complaints regarding the school's fulfilment of the EYFS requirements will be investigated and resolved within 28 days of receipt. Any such complaints will be made available to Ofsted on request.

Parents of pupils in Reception (the EYFS) may, if they wish, contact Ofsted or ISI at the addresses below should they have any concerns about the fulfilment of the EYFS requirements:
